"Supervisory Suggestions" from Br. D.

I. Pro Latronary Year: Its importance & purpose; procedures for disqualification; differences between this action and Selection-Out.

II. The "Unpleasant": Don't put off corrections, suggestions, warnings, etc. — This hurts everyone.

III Promotions: They should be recommended when earned, and not based on grade of slot or time-in-grade or because someone else in Office is being recommended.

IV PSIs and QSIs

V Watch: Leave Records; Signs of immaturity, adaptability — Keeping in mind such problems probably will be magnified overseas.

VI "Development" — Training — Reassignments: Don't encourage moving into another line of work (for example) without first
